**HOW OFTEN ARE VALUATIONS AVAILABLE?**

The indicative NAV per Unit of the Fund will be made available daily at <http://www.fundsupermart.com/main/fundinfo/dailyPrices.svdo>.

**HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE RISKS AND COSTS IN DOING SO?**

- Save in certain circumstances such as suspension of realisation and minimum realisation or holding requirements, you can exit the Fund at any time during any Dealing Day by submitting the relevant realisation request to the Manager or the relevant appointed agent or distributor. If you are subscribing for Units in the Fund for the first time, you may cancel your subscription of Units within the cancellation period of 7 calendar days from the date of subscription of Units.
- You will normally receive the realisation proceeds within 7 Business Days in Singapore following the receipt and acceptance of the realisation request by the Manager.
- Your exit price is determined as follows:
  - If you submit the realisation request for Units before 4.00 pm Singapore time on a Dealing Day, you will be paid a price based on the NAV of the Fund at the close of that business day.
  - If you submit the realisation request for Units after 4.00 pm Singapore time, you will be paid a price based on the NAV at the close of the next business day.

Your realisation request		Notional Realisation Price (= NAV per Unit)		Realisation proceeds
